Issue #12  
December 2013

Dear Members,

Winter chill is in the air (unless of course you're sweating it out down under) and the year 2013 is almost on its way out. So it is only appropriate that we do what everyone else is doing!

We look back at the highlights of the year and make a few new year resolutions.

# HAPPY NEW YEAR!

The Annual General Meeting of the Alumni Association was held on 1<sup>st</sup> December 2013 in the college premises.

The Audited Balance Sheet, Income and Expenditure Account for the year ended on March 31, 2013 along with the Auditors Report were adopted. This was followed by a healthy open house discussion and interaction between members.

We thank members who took out time to come and attend the meeting and shared their views for the growth of the Association.
