## *Principal's Blessings*

---

Dear Shri Harinderjit Singh ji

I am very glad to note that the SBSC Alumni Association is organising its Spring Reunion on March 25, 2017 and is publishing a Souvenir on this occasion. This is a very significant event as it helps unite the members of the Alumni Association. This also provides an opportunity for the final year students of the college to interact with the Alumni of the yesteryears and learn a great deal as regards management of the events, entrepreneurship etc.

I take this opportunity to appreciate the efforts of the SBSC Alumni Association for assisting in the establishment of the SBSC Centre for Skill Development and also organising various programmes under 'Campus to Corporate' series for imparting training to the final year students of the college.

I wish the programme a great success.

Regards

P.K.Khurana

Dear Members,

This Spring Reunion is special for two reasons, one that it is the Golden Jubilee Year of the College and second, today we are going to honour the illustrious teachers and alumni from the college.

The Alumni Association was formed around 7 years ago (although our college is 50 years old). We have 3700 plus members (hope we will have 5000 by next year). We have organized number of workshops for students to learn soft-skills and provide valuable inputs on various fields such as legal, accounting, media, design thinking etc.

We are participating in the Golden Jubilee Celebration etc. College has set up Centre for Skill Development in Collaboration with Alumni Association. We are committed to provide the college all possible support to take this institute to heights of excellence for the benefit of students. We are discussing with college how to tap CSR funds of the corporate sector and to build working infrastructure such as auditorium, rooms, library etc. for the college.

We have laid a solid foundation for the association for achieving the purpose for which it was formed. In this regard, I appeal to all of you to come forward to assist your college (ALMA MATER) in whatever way you whether being volunteer or donating money for which you will get an 80G certificate.

I thank Principal of the college, Dr P.K. Khurana who is appreciative of work and who has cooperated in all ways, Professors, students (who bring a lot of energy), people who have donated money and our vendors and last not but the least our Executive Committee Team. My Greetins to all .!

Best Wishes

Harinderjit Singh

President  
Shaheed Bhagat Singh College  
Alumni Association

## Dear Friends

It's a matter of Great honour to be Part of SBSC Alumni Association.

Time to honour the Teachers who made this College and to celebrate the hard work put in by Association by organizing so many events since last Spring Reunion under the leadership of Harinderjit Singh , The President

This all could be possible due to ever supportive and visionary Principal Dr P K Khurana who has agreed to all the initiatives to build a strong bond with the Alumni Association.

We are celebrating Golden Jubilee of the College. This is a special Year.

We have Recently set up SBSC Centre for Skill Development , A Golden Jubilee Initiative , a joint effort by college and Alumni Association. A partnership of minds with a clear goal to help students to make them employable and start their own ventures.

Miles to go ! Lot to achieve !

We are proud of our illustrious alumnus who have made good for their life and reached to the level of excellence.

Time to Pay back ! Opportunity to serve !

Connect with the College and help the students through internships, jobs, training to empower your next generation with knowledge and skills.

My Greetings to All .
