“

I am delighted to note that SBSC Alumni Association is organizing its annual event and bringing annual Souvenirs. I have been part of it and have been actively involved in its activities. It is more important for me to play a dual role, now one as an Alumnus and another as the Principal of the college. SBSC Alumni Association aims to bring all Alumni, Teachers, and students together to interact and contribute to the growth of the institution directly and indirectly. So far, the Association has been able to achieve these objectives very well.

The Alumni Association of the College has been very active in mobilizing the old student of the College and has done a commendable job in a short span of 12 years of its formation.

The College looks forward to the partnership of minds to support scholarship infrastructure development, innovation and to create opportunities and employability by developing the skills of the students.

I congratulate all members of the Organizing Committee under the leadership of President, Shri Harinderjit Singh. We look forward to work together for the growth of the College. I wish the event a great success

“

Welcome to the Annual members' Event 2022!

This year's event is special as we are meeting in person after 2 years post-COVID pandemic. Let me first convey my heartfelt condolences to the families of our EC members i.e., Mr. V. Sekhar (Past President), Mr. Sandeep Gupta & Mr. Mukesh Gupta, and other alumnus who lost their lives in the recent past. May God rest their soul in peace and give strength to the family.

The association has grown from 20 members in 2010 to close to 4000 members in 2022 as we continue to struggle to contact the students who have passed out from college in the last 5 decades. The association continued its activities even during COVID times by conducting webinars, mentorship /career guidance programmes for students, participation in skill development events, scholarship schemes for underprivileged students, and improving communication with students, college, and members. We also interacted with the Governing Board of the college to understand their perspective and expectations from the Association.

Now that the foundation of the association has been laid, the increased activities of EC in the future will be directed towards assisting the college to improve its reputation, rating, and infrastructure of the college, organizing events relating to mentorship, placement, skill development, etc., for the students and having knowledge sessions, networking and social events, mobile app for members and participation in various programmes relating to the upliftment of our society.

I urge every member to work with the association to advance our alma mater to new heights!

I would like to extend my gratitude towards Dr. Anil Sardana, Past Principals, Teachers and Staff of the college for their support.

I congratulate all the distinguished alumni being honoured!

”

**Vice President**

“

“A student life is a golden life,” said Jawahar Lal Nehru. I firmly believe in this statement because of my golden years of life at Shaheed Bhagat Singh college. It was during those days my personality was moulded in the gracious hands of our able teachers. The college has provided me with a wonderful environment and opportunity to learn and grow academically and secure a place in my entrepreneurial journey in the corporate world.

I am happy that SBSCA is celebrating its annual fest after a gap of two years because of COVID-19.

I thank each of you for your extraordinary support to SBSCA in bringing out this Souvenir. Looking forward to an entertaining play by our Alumni, the Famous Rakesh Bedi Ji, and also a successful event.

”

“

We are privileged to have passed out from this esteemed institution, Shaheed Bhagat Singh College. What we are today, our college learning has played a major role and we owe a great deal to the institution and society as a whole. The Alumni association “Basicolans” led by our President Harinderjit Singh is working round the clock to evolve ways how the association can contribute and complement the efforts of the college for the overall development of the student.

”

**Nikhil Dujari**  
**General Secretary**

“

As we enter into the 13<sup>th</sup> year of our existence, it gives me great pleasure to welcome you to this function after a lag of more than two years due to the ongoing covid related disruptions that touched each of our lives in more ways than one. The resultant issues helped us emerge stronger and better with a larger understanding that camaraderie and health would continue to be the highest needs for mankind. Let's build on what we did over the last twelve years and take the association to greater heights in our tradition of service.

”

# Our Objectives

The alumni association aims to foster a sense of community and take these objectives forward by connecting alumni with their friends, mentors, potential business partners, future employers as well as employees!

## Our objectives include:

- *Forum for members, college affiliation, interaction, highlighting of accomplishments, acknowledgment, networking, knowledge sessions, communication of the most recent information, etc.*
- *Grooming the students through a variety of career counselling, mentoring and training sessions with a clear focus on employability and mentorship.*
- *Play a significant role in guiding students on the placement in reputed organizations.*
- *Organising constructive and interactive knowledge sessions for the development of the alumni members and the students.*
- *Assisting deserving students with various scholarship programmes.*
- *Strengthen alumni association.*
- *Instilling a sense of belonging among the alumni.*

The Alumni Association achieves these objectives by planning an annual schedule of events and knowledge sessions on pertinent new subjects, budget analysis, mental wellness, and social and cultural dinners, keeping in touch with alumni, and supporting fundraising efforts for student scholarships and other causes.

The Association also honours Distinguished Alumni in the fields of law, medicine, academia, manufacturing, retail, military, civil services, arts, movies, etc., to highlight the contributions of our alumni.

# Arms Wide Open!

Programs and events for students and alumni are made possible by the generosity of the Alumni network-through sponsorships, volunteering and community involvement.

**Mentor** - No matter where you are in your career, you can reach out and mentor current students. Share your accomplishments, expertise and connections to help guide students in their career pursuits.

**Recruit** - Through Career Services you will have access to a large pool of talented, qualified candidates at all levels of experience.

**Successful!** alumni like you become an Alumni Ambassador- Showcase your experience and expertise by speaking at various avenues. As an Alumni Ambassador you can represent your alma mater at industry tradeshow and events, meet with prospective students at local college fairs, participate in classroom presentations of workshops or serve on a curriculum advisory board of networking event panel.

We look forward to your support through sponsorships, donations\* or any kind of financial assistance. Cheque/DD can either be drawn in favour of Shaheed Bhagat Singh College, Alumni Association, New Delhi or paid online as well.
